We have recently had to re-run several stencils for faculty because they had not been proofed and were in error. This is an expensive and unnecessary amount of work as a result of not being proofed. In the future, you will be required to sign a proofing release before a stencil can be run.

Your lovely arrangement of red carnations and grey pussy willows drew many comments of admiration from staff and visitors alike during my hospital stay. As usual AC came through with flying colors. I was ever so proud to tell everyone that the pretty flowers came from my thoughtful friends of Walton Way. I have already begun missing you so much - the gaiety - the activity - the ciggies and cups of coffee - even the papers! Therefore, I hope you will drop by to keep me "posted" on all the news.
